SECTION B - SUPPLIES OR SERVICES AND OFFEROR'S PRICES

The United States District Court for the District of North Dakota is soliciting a vendor to provide substance use, mental health, and/or sex offender treatment services. A vendor must be capable of providing services within a geographic area encompassing North Central, North Dakota to include primarily the communities of Belcourt, Dunseith and Turtle Mountain Indian Reservation.

As a result of this solicitation the Government intends to enter into a Blanket Purchase Agreement (BPA). For this BPA, approximately 1 to 2 vendors are needed to provide the required services. The Government reserves the right to award to a single vendor.

A Blanket Purchase Agreement is a “charge account” arrangement, between a buyer and a seller for recurring purchases of services. BPAs are not contracts and do not obligate government funds in any way. A contract occurs upon the placement of a call or referral from the Probation/Pretrial Services Office and the vendor’s acceptance of the referral. Referrals will be rotated among all the vendors on the BPA. BPAs are valid for a specific period of time, not to extend beyond the current fiscal year. The total duration of this BPA, including the exercise of two 12-month options, shall not exceed 36 months. BPAs will be issued to those vendors determined to be technically acceptable and offering the lowest cost to the Government, using the Evaluation Criteria established in Section M of the Request for Proposal.

Section B is generic and used nationwide to procure the particular needs of each U. S. Probation/Pretrial Services Office. For this solicitation, only those services marked by an "X" under the Required Services column are being solicited. Offerors shall propose on only the required services. Services proposed, but not marked as required, will not be evaluated or included under any resultant agreement. Offerors failing to provide offers on all required services marked, will be considered technically unacceptable.

Note: Estimated Monthly Quantities (EMQs) represent the total monthly quantities to be ordered per Service item under the BPA. Each vendor placed on the BPA may receive a share of the total quantity stated. However, EMQ’s are estimates only and do not bind the government to meet these estimates.

An asterisk * indicates a requirement line item which has been modified under “Local Services.”

MANDATORY REQUIREMENTS

For Project Codes in Section B, the corresponding paragraphs in this statement of work shall be considered mandatory requirements, as well as the sections listed below:

- A. Defendant/Person under supervision Reimbursement and Co-payment
- B. Deliverables
- C. Notifying USPO/USPSO of Defendant/Person under supervision Behavior
- D. Staff Requirements and Restrictions
- E. Facility Requirements
- F. Local Services (if applicable)

1. Urine Collection/Testing - Non-Instrumented Drug Testing Devices (NIDTs) (1011):

The vendor shall perform the following procedures related to the collection, testing and reporting of urine specimens using NIDT devices provided by the USPO/USPSO:

a. Storage of Urinalysis Supplies

The vendor shall:

- (1) Store all urinalysis supplies in a secure area with access limited only to authorized vendor employees involved in the collection process.
- (2) Prevent defendant/person under supervision access to the secure storage areas.

b. Secure Collection Area

The vendor shall:

- (1) To the extent possible, provide a lavatory only for collecting urine specimens that is not used by staff or others not providing urine

specimens.

- (2) If the lavatory is used by others not providing a urine specimen, the vendor shall:
 - (a) Limit the possibility of any interference with the collection process or adulteration of the specimen; and
 - (b) Limit access during the collection process to only those involved in the collection of urine specimens.

c. **Safety Precautions and Collector Training.**

- (1) The vendor shall ensure that collectors receive appropriate detailed training that includes a review of the federal OSHA Bloodborne Pathogen regulations (29 C.F.R. 1910.1030). The vendor shall document such training in their personnel file and the employee must certify they have received and understand such training. The vendor shall provide the documentation to the USPO/USPSO upon request.
- (2) The vendor shall ensure that all personnel handling urine specimens wear disposable gloves designed for protection against bio-hazards, and are familiar with standard precautions for handling bodily fluids.

d. **General Urine Specimen Collection Procedures**

- (1) The vendor shall ensure defendants/person under supervision:
 - (a) Remove jackets, coats and large pocket items before entering the collection area. These items can be placed on a hook or table inside the collection area.
 - (b) Set aside purse or other carried items. These items can remain in the collection areas; however, must remain outside of immediate access from the defendant/person under supervision.
 - (c) Vigorously wash their hands using soap and water, then thoroughly rinse their hands to remove all soap and any adulterants from under the fingernails or on the skin, and finally dry their hands completely prior to voiding.
 - (d) Roll up long-sleeved shirts so the collector can examine defendant/person under supervision's arms to detect tampering devices or adulterants.

- (2) The vendor shall ensure that the collectors:
- (a) Verify the identity of the defendant/person under supervision by means of a state driver's license, state identification or other acceptable form of photo identification.
 - (b) Collect specimens from only one donor at a time. Both the donor and the collector shall keep the specimen collection container in view at all times prior to it being sealed and labeled.
 - (c) Complete a Chain of Custody or NIDT Collection Form (provided by the USPO/USPSO) before a defendant/person under supervision voids following the chain of custody procedures, and then unless the vendor is using an NIDT that yielded a negative result, peel the Barcode label from the Chain of Custody form and place it on the bottle.
 - (d) Collect a minimum of 30 milliliters of urine to allow the laboratory to conduct the initial presumptive screen and confirmation tests. A specimen with less than 10 milliliters of urine is not acceptable for testing and shall not be submitted as the laboratory will not test it due to insufficient quantity.
 - (e) Not flush urinals/toilets until the collection is completed and the collector advises it is safe to do so (a coloring agent is not necessary for direct observation of urine collection).
 - (f) Observe and document any indication (unusual color, odor) of specimen dilution and/or adulteration, or any unusual collection events or discrepancies.
 - (g) Review the temperature of the specimen to determine if it is near body temperature, if applicable. The temperature of the specimen should be measured within 4 minutes of collection and should be within a range of 90 - 100 degrees.
 - (h) Perform test procedures according to the manufacture's procedures/instructions for completion of testing on specimen.
 - (i) Record test results on the Urinalysis Log and NIDT Log (provided and/or approved by USPO/USPSO), if applicable.

- (j) Close and secure tightly the specimen collection container to ensure it will not leak.
- (k) Use a tamper evident tape or label across the top of the bottle cap and down the sides of the bottle, and the collector or defendant/person under supervision shall initial the tamper tape or label. (This procedure is not mandatory for NIDTs when an instant negative result is obtained and no further testing will be done on that sample).
- (l) For positive specimens, sign the Specimen Collection Statement of the Chain of Custody Form. This is not mandatory for NIDTs when an instant negative result is obtained and no further testing will be done on that sample. The collector shall not sign the certification area of the form until the collection process is completed.
- (m) For positive specimens, have the defendant/person under supervision sign or initial the Chain of Custody Form. This is not mandatory for NIDTs when an instant negative result is obtained and no further testing will be done on that sample. The defendant/person under supervision shall not sign the certification area of the form until the collection process is completed.
- (n) Notify the USPO/USPSO, or follow other notification protocols outlined by the USPO/USPSO, within 24 hours if the defendant/person under supervision fails to report for a drug test, does not provide a urine specimen that is suitable for testing (e.g., an insufficient amount, stalls, adulterated), attempts at subterfuge, admits drug use, or has a positive test result.

e. **Observed Urine Specimen Collection Procedures**

The vendor shall:

- (1) Directly observe defendant/person under supervision voiding into a specimen collection container. Collectors observing the voiding process shall be the same gender as the defendant/person under supervision providing the specimen (no exceptions).
- (2) The use of mirrors is acceptable if the mirrors aid the collector in viewing the voiding process. The USPO/USPSO must approve such use of mirrors.

f. **Unobserved Urine Specimen Collection Procedures**

The vendor shall perform the following urine specimen collection procedures if circumstances prevent the observed collection of a specimen. The vendor shall ensure that collectors:

- (1) Take unobserved specimens **only** when the defendant/person under supervision and the collector are not of the same gender or it is virtually impossible to collect an observed specimen. If circumstances necessitate the collection of unobserved specimens, the vendor shall contact the USPO/USPSO for approval prior to the collection.
- (2) Secure any source of water in the area where the collection occurs, by either shutting off the water or securing its access with tamper evident tape.
- (3) Remove and/or secure any agents that could be used in an attempt to adulterate the specimen, such as soaps, cleaners and deodorizers.
- (4) Clearly document on the Chain of Custody Form or Urinalysis Testing Log any unobserved collection.
- (5) When using NIDTs for unobserved collection of a specimen, ensure that an adulteration test is performed that at a minimum includes temperature, pH and specific gravity tests. Adulteration test panels are performed on all specimens sent to the national laboratory for testing.
- (6) Use a temperature strip to measure urine specimen temperatures which should range between 90 and 100 degrees Fahrenheit. The time from voiding to temperature measurement is critical and in no case shall exceed 4 minutes.
- (7) Obtain a second specimen from defendant/person under supervision whose urine specimen temperature is outside the range in (6) above.
- (8) Place a blue or green colored toilet bowl cleaner or coloring agent in the commode or bowl for commodes without holding tanks to deter dilution of the specimen with commode water.
- (9) Follow all general collection procedures in subsection d above.

g. Random Urine Specimen Collection Procedures

The vendor shall provide random urine specimens collections in accordance with the following:

- (1) The vendor shall collect random urine specimens at the frequency determined and authorized in the Probation Form 45.
- (2) The vendor shall collect random urine specimens when the defendants/person under supervision have less than 24 hours notice that a urine specimen is to be submitted.
- (3) The vendor shall not alter a randomly scheduled urine collection without the approval of the USPO/USPSO.
- (4) Upon request of the USPO/USPSO, the vendor shall develop and operate an automated phone notification system for random urine collections. The vendor shall obtain the approval of the USPO/USPSO for the design and operation of the phone-based system before putting it into use.

h. Urine Specimen Collection Records and Reports

(1) Urinalysis Testing Log

The vendor shall maintain a log approved by the USPO/USPSO for all urinalysis specimens collected which shall indicate:

- (a) Defendant's/person under supervision's name and PACTS number
- (b) Vendor name and agreement number
- (c) Month/Year
- (d) Collection Date
- (e) Collector's initials
- (f) Medications taken
- (g) Test results
- (h) Co-pay collected (if applicable)

NOTE: Allowing anyone undergoing treatment to see the names or signatures of defendants/person under supervision violates federal confidentiality regulations regarding disclosure of drug or alcohol treatment records.

i. Urine Testing

The vendor shall:

- (1) Ensure that personnel who perform drug testing using NIDTs have documented training by the device manufacturer or their designee, certification of successful completion of the training, and demonstrated proficiency in the use of the test device(s).

- (2) Test for drug(s) only as directed by the USPO/USPSO, using only devices provided by the USPO/USPSO.
- (3) Perform test(s) according to the manufacturer's procedures with the defendant/person under supervision observing the process.
- (4) Record the NIDT test result on the Urinalysis Testing Log, and provide USPO/USPSO test results at a frequency and format as instructed by the USPO/USPSO.
- (5) Notify the USPO/USPSO within 24 hours of positive specimen results, if the defendant/person under supervision fails to report for a scheduled drug test, stalls, does not provide a urine specimen that is suitable for testing (e.g., an insufficient amount, adulterated), attempts at subterfuge, or submits a positive test result.
- (6) Send presumptive positive specimens to the national drug testing laboratories under the explicit instruction of the USPO/USPSO, using the procedures outlined in k below.

j. **Urine Specimen Mailing and Storage** (For specimens shipped or transferred to contract national drug testing.

The vendor shall ensure that:

- (1) Every specimen shipped or transferred to a testing facility is contained in a collection container specifically designed to withstand the rigors of transport. All collection containers shall be provided by the Judiciary. NIDT cups/bottles may only be used for shipping with the advanced approval of USPO/USPSO. Vendors shall seek approval for each type of NIDT device intended for shipping.
- (2) The collector places the specimen and corresponding Chain of Custody Form or NIDT collection form in the approved shipping container and places such containers in the custody of an approved delivery service or courier;
- (3) The collector notifies the shipper/delivery service/courier that specimen(s) are ready to be delivered to the laboratory. This notification shall be given no later than the close of business the day the specimens are collected, or in the case of evening collections, the morning of the day following the collection.

- (4) Urine specimens are refrigerated if specimens are retained and not shipped the same day.
- (5) Refrigerated urine specimens are not retained **longer than** 48 hours before they are sent to the laboratory. If urine specimens are retained longer than 48 hours due to an emergency or USPO/USPSO approved exigent circumstance, the specimens must be frozen.
- (6) Urine specimens are stored in a secure area or locked refrigerator/freezer with access limited only to collectors or other vendor authorized personnel. The refrigerator temperature shall not exceed 43 degrees Fahrenheit and its temperature should be periodically monitored and documented.

k. **“No Test” Policy**

The urinalysis laboratories under national contract with the AOUSC **will only test** urine specimens if all of the following conditions are met.

- (1) The specimen bottle contains no less than 10 milliliters of urine.
- (2) The specimen security seal or tamper evident system (e.g., tape) is present and intact.
- (3) The specimen bar code label is present.
- (4) The specimen is accompanied by the Chain of Custody Form.
- (5) The specimen identifier (i.e., bar code number) on the bottle is identical to the number on the Chain of Custody Form.
- (6) The collector’s signature is on the Chain of Custody Form.

When any of the above conditions are not met, “No Test” will be stamped on the request report form and the reason for the no test will be checked or written in the space provided. Specimens that cannot be tested will be discarded. The vendor shall ensure that **all** of the above conditions are present for specimens sent to the national drug testing laboratories for testing.

l. **Specimen Processing**

- (1) If the test(s) is negative the vendor shall:
 - (a) Discard the urine specimen by flushing urine down the toilet. Rinse the emptied bottle. Urine is not considered biohazardous waste.

- (b) Discard the test device in compliance with federal, state and local regulations. The test device or any other solid waste exposed to urine as a part of the collection and testing process may require biohazard disposal. If such disposal is required, the vendor shall ensure it is conducted in compliance with federal, state and local regulations.
 - (c) Log the result(s) on the approved Urinalysis Testing Log.
- (2) For a presumptive positive test result(s), the vendor shall:
 - (a) Remind the defendant/person under supervision that the test(s) result is presumptive, and will be reported to the assigned officer.
 - (b) Prepare the specimen(s) to send to the national laboratories by transferring the specimen(s) to a national laboratory bottle and completing the Chain of Custody Form(s). All bottles and containers shall be provided by the Judiciary. Once transfer of the specimen is completed, the vendor shall discard the NIDT device(s). Within 48 hours, send all presumptive positive NIDT specimens to the nationally contracted laboratory, unless otherwise directed by the USPO/USPSO.
 - (c) Within 24 hours of the presumptive test result notify the USPO/USPSO, or follow other notification protocols outlined by the USPO/USPSO, document that the notification was done in the defendant/person under supervision's file.

If the defendant/person under supervision refuses to sign the Chain of Custody form, the vendor shall:

- (d) Note the refusal on the Chain of Custody form and instruct the defendant/person under supervision to personally contact his/her assigned USPO/USPSO immediately to provide notification of their refusal to sign the form.
 - (e) Within 24 hours, notify the USPO/USPSO, or follow other notification protocols outlined by the USPO/USPSO, of the defendant/person under supervision's refusal to sign the form.
 - (f) Ensure the collectors do not insist that the defendant/person under supervision sign the Chain of Custody Form. The vendor shall record the defendant's/person under supervision's refusal to sign on

the Chain of Custody Form and in the defendant/person under supervision file (the specimen will be tested by the national laboratory even if the defendant/person under supervision fails to sign the form).

c. **Drug Testing Invoicing (NIDTs)**

The vendor shall:

- (1) Invoice only one unit of NIDT (PC 1011) per defendant/person under supervision per tested specimen. For example, if the NIDT device **does not** provide a test result or the test result is not readable, the test shall be conducted using another NIDT device at no additional charge to the judiciary. This may occur approximately five percent of the time when using NIDT devices. The vendor shall include the “multiple test” factor in the unit price for this service.
- (2) Charge only one NIDT (PC 1011) to the Judiciary if the specimen is also sent to a national laboratory. Charging for **PC 1010**-(urine collection) and PC 1011 for the same specimen is not permitted. The vendor may include the additional work related to sending a specimen to a national laboratory and reporting the result in the unit price (PC 1011) for this service. Approximately one out of ten samples will be prepared for mailing to a national laboratory, but not all samples will be sent because the defendant/person under supervision will admit drug use.

Substance Use Services

 - (1) Basic identifying information and sources of the information for the report;
 - (2) Diagnostic impression;
 - (3) A biopsychosocial profile of symptoms that are related to substance use and mental health diagnoses, if applicable;
 - (4) The target treatment problem which will be the primary or central focus of the initial treatment plan;
 - (5) Risk, need, responsivity as indicated by the PCRA (applicable to post-conviction cases only and when assessment information is provided by USPO)

- (b) If due to the fault, negligent acts (whether of commission or omission) and/or dishonesty of the contractor or its employees, any judiciary-owned or controlled property is lost or damaged as a result of the contractor's performance of this contract, the contractor shall be responsible to the judiciary for such loss or damage, and the judiciary, at its option, may, in lieu of requiring reimbursement therefor, require the contractor to replace at its own expense, all property lost or damaged.
- (c) *Hold Harmless and Indemnification Agreement* The contractor shall save and hold harmless and indemnify the judiciary against any and all liability claims and cost of whatsoever kind and nature for injury to or death of any person or persons and for loss or damage to any contractor property or property owned by a third party occurring in connection with or in any way incident to or arising out of the occupancy, use, service, operation, or performance of work under the terms of this contract, resulting in whole or in part from the acts or omissions of the contractor, any subcontractor, or any employee, agent, or representative of the contractor or subcontractor.

The contractor shall do nothing to prejudice the judiciary's right to recover against third parties for any loss, destruction of, or damage to, judiciary property, and upon the request of the contracting officer will, at the judiciary's expense, furnish to the judiciary all reasonable assistance and cooperation (including assistance in the prosecution of suit and the execution of instruments of assignment in favor of the judiciary) in obtaining recovery.

SECTION I - REQUIRED CLAUSES**I.1 Clause 7-30, Public Use of the Name of the Federal Judiciary - (JUN 2014)**

- (a) The contractor shall not refer to the judiciary, or to any court or other organizational entities existing thereunder (hereinafter referred to as "the judiciary"), in advertising, news releases, brochures, catalogs, television and radio advertising, letters of reference, web sites, or any other media used generally by the vendor in its commercial marketing initiatives, in such a way that it represents or implies that the judiciary prefers or endorses the products or services offered by the contractor. This provision will not be construed as limiting the contractor's ability to refer to the judiciary as one of its customers when providing past performance information as part of a proposal submission, as opposed to general public marketing.
- (b) No public release of information pertaining to this contract will be made without prior judiciary written approval, as appropriate, and then only with written approval of the contracting officer.

I.2 Subcontracting

Services that the vendor proposes to refer to other service providers shall be considered subcontracting. The vendor (prime contractor) may subcontract the provision of treatment services to other service providers (subcontractors). After award, any proposed subcontractor arrangements or changes to the existing subcontractor arrangements are subject to the Contracting Officer's approval, and shall be submitted in writing to the Contracting Officer at least 30 days in advance of the proposed subcontracting arrangement or change. The Contracting Officer will respond promptly with written approval or disapproval. The prime contractor shall not refer defendants/offenders to any other vendor that has not been approved by the Contracting Officer in writing. The government reserves the right to revoke approval of any subcontractor at any time that does not meet the requirements of this contract/agreement.

The prime contractor is responsible to the judiciary for overall performance of the services required under this contract/agreement. If any services are subcontracted, the prime contractor shall ensure that the subcontractor is complying with the requirements of this contract/agreement, including the qualifications of any personnel providing services; the possession and maintenance of all appropriate state and local licenses in compliance with state and local regulations; and the appropriate documentation demonstrating compliance with all federal, state and local fire, safety and health codes. The prime contractor shall ensure that subcontractors are not debarred, suspended, or ineligible to perform under federal contracts.

A subcontractor has no contractual rights, known as privity of contract, against the judiciary. However, the subcontractor may have rights against the prime contractor.

Upon contract termination, the contractor must, except as otherwise directed by the CO, terminate all subcontracts to the extent that they relate to performance of the work terminated.

I.3. Clause 2-90D, Option to Extend the Term of the Contract - (APR 2013)

- (a) The judiciary may extend the term of this contract by written notice to the contractor no later than 30 calendar days prior to the contract's expiration date; provided that the judiciary gives the contractor a preliminary written notice of its intent to extend at least 60 calendar days before the contract expires. The preliminary notice does not commit the judiciary to an extension.
- (b) If the judiciary exercises this option, the extended contract shall be considered to include this option clause.
- (c) The total duration of this contract, including the exercise of any options under this clause, shall not exceed 3 years.

I.4 Clause 2-90C, Option to Extend Services - (APR 2013)

The judiciary may require continued performance of any services within the limits and at the rates specified in the contract. These rates may be adjusted only as a result of revisions to prevailing labor rates provided by the Secretary of Labor. The option provision may be exercised more than once, but the total extension of performance hereunder shall not exceed 6 months. The contracting officer may exercise the option by written notice to the contractor no later than 30 calendar days prior to contract's current expiration date.

The Offeror must provide a response to every requested service item.

(2) Prices

The prices submitted must reflect the requirements of the Statement of Work for each project code requested as well as all terms and conditions of the contract that relate to that service item.

(3) Acceptable Responses

(a) Unit Price

Sliding price scales will not be accepted by the Government. The price will reflect the unit as defined in Section B and the Statement of Work for each project code.

(b) "N/C" = No Charge

For any item that the Offeror will provide without charge or without additional charge, the Offeror shall insert "N/C" in the Unit Price column of Section B.

(c) **Subcontracting**

For service items that the Offeror will be subcontracting, the Offeror shall insert the letter "S" following the price inserted in the Unit Price column. Services referred to another vendor shall be considered subcontracting and shall require the "S" designation.

(d) **Prices and "No Shows"**

A "No Show" occurs when a defendant/person under supervision does not appear for a prescheduled service, and the defendant/person under supervision fails to cancel the appointment at least 24 hours in advance. Offerors may factor the price of defendant/person under supervision "No Shows" for prescheduled appointments into the unit prices for the project codes listed in G.3, as this is not an otherwise billable service. **It is estimated that defendants/persons under supervision fail to appear for prescheduled individual services approximately 5% of the time, although specific services may experience a higher rate of "no shows".**

(4) **Estimated Monthly Quantity**

The figures provided in the Estimated Monthly Quantity column of Section B are estimates of the frequency that the services will be required. These figures are estimates only and the government is not bound to meet these estimates. Note that if the government awards to multiple Offerors, the Estimated Monthly Quantities would be spread amongst the multiple Offerors; however, the government is not required to award to multiple Offerors, even if indicated in Section B. An Offeror should be prepared to provide the full amount of Estimated Monthly Quantities reflected. If the Offeror is unable to provide the full amount of Estimated Monthly Quantities, the Offeror must expressly state this within its proposal and provide the reasoning behind it, as well as indicate the volume of services the Offeror would be capable of providing.

Proposal Submission

By submission of a signed proposal (including the submission of the Certification of Compliance (Attachment A) described below), the Offeror is agreeing to comply with all requirements, terms, and conditions of this solicitation and any resultant agreement or contract. **Note: The Offeror is not required to submit solicitation sections C, D, E, F, G, H, I, and J as part of its proposal.**

Section K - Representations, Certifications, and Other Statements of Offeror

The Offeror must check or complete all applicable boxes or blocks in the paragraphs under Section K of the Solicitation Document and resubmit the full section as that of the Proposal.

 - a. provide copies of all monitoring reports for the previous 18 months from all federal (regardless of whether the Offeror has a current Agreement with the USPO/USPSO, copies of the necessary monitoring reports shall be included with this RFP, state and local agencies for the locations solicited. If the Offeror is not able to provide copies of monitoring reports, the Offeror shall provide copies of certificates or letters from federal, state, or local agencies indicating that the Offeror has had a satisfactory or higher rating for the previous 18 months. If the Offeror is not able to provide copies of monitoring reports, certifications or letters due to a private practice or other documented reasons, the Offeror must expressly state so in its proposal for this area. To be considered technically acceptable an Offeror must have received ratings of satisfactory or higher or have expressly stated in its proposals that it is a private practice and does not have access to monitoring reports, certificates or letters. Monitoring reports for proposed subcontractors are not required.
 - b. state expressly each performance site at which the Offeror and any proposed subcontractors intend to provide services in response to this

solicitation. Offeror and subcontractor sites shall be located within the solicitation's identified catchment area, and shall be operational sites at the time of the RFP submission. Onsite evaluations will be individually performed at Offeror and subcontractor sites.

- c. include copies of all applicable business and/or operating licenses as required by state and local laws and regulations. If there is not an applicable business and/or operating license(s), the Offeror shall expressly state this in its proposal with an explanation of why.  - d. include copies of compliance with all federal, state and local fire, safety and health codes. If the Offeror is not subject to any of these provisions due to local/county ordinances, the Offeror shall expressly state this in its proposal with an explanation of why. Offerors are not required to provide copies of the aforementioned documentation for proposed subcontractors; however, the Offeror is responsible for ensuring that proposed subcontractors have appropriate documentation demonstrating compliance with all federal, state and local fire, safety and health codes.
3. By submitting the **BACKGROUND STATEMENT** the Offeror warrants that all information contained therein is correct and accurately reflects the Offeror's ability to perform.

Preparation of Staff Qualifications - (Attachment C)

The Offeror shall prepare and submit the **OFFEROR'S STAFF QUALIFICATION FORM** (see Attachment C) for all staff performing services under any resultant contract. The Offeror shall include the name, title, duties that will be performed under any resultant agreement by numeric project code, education, experience, and credentials (licenses and certifications) for all staff members who will be performing services under any resultant agreement. Note: the Offeror is not required to provide documentation of the education, credentials, licenses, and certification of staff members; however, the Offeror shall verify the information is accurate and that any required licenses are current.

In addition, the Offeror shall certify that no proposed staff members are under investigation for or charged with a criminal offense and/or under pretrial, probation, parole, mandatory release or supervised release (federal, state, or local).

The Offeror shall also certify that no proposed staff members have been convicted of any sexual offense (including but not limited to child pornography offenses, child exploitation, sexual abuse, rape, or sexual assault) or are required under federal, state or local law to register on the Sexual Offender registry. Attachment C shall also be prepared for all proposed subcontractor staff performing services.

Offerors providing sex-offense specific evaluations must certify on the Offeror's Staff Qualification Form (Attachment C) that the evaluator adheres to the established ethics, standards and practices of the Association for the Treatment of Sexual Abusers (ATSA).

Preparation of Offeror's References - (Attachment D)

The Offeror shall provide three references (Federal, State, or local government agencies and/or private organizations), using Attachment D, for whom the Offeror has provided the same or similar type of treatment and other services identified in this RFP within the past 3 years. Note: references should not include current USPO/USPSO employees. Provide the name and address for each reference, as well as the phone number and e-mail for the contact person. It is the responsibility of the Offeror to notify references the government reserves the right to contact any reference and consider the information provided as part of its responsibility determination.

Sections L - Instructions, Conditions and Notices to Offerors, and M - Evaluation Criteria

Sections K, L and M contain information and instructions and do not become part of any resultant agreement.

L.2 Provision 3-100, Instructions to Offerors - (APR 2013)

- (a) *Definitions* As used in this provision:
 - "Discussions" are negotiations that occur after establishment of the competitive range that may, at the contracting officer's discretion, result in the Offeror being allowed to revise its offer.
 - In writing, "writing," or "written" means any worded or numbered expression that can be read, reproduced, and later communicated, and includes electronically transmitted and stored information.
 - "Offer modification" is a change made to an offer before the solicitation's closing date and time, or made in response to an amendment, or made to correct a mistake at any time before award.
 - "Offer revision" is a change to an offer made after the solicitation closing date, at the request of or as allowed by a contracting officer as the result of negotiations.
 - "Time," if stated as a number of days, is calculated using calendar days, unless otherwise specified, and will include Saturdays, Sundays, and legal holidays. However, if the last day falls on a Saturday, Sunday, or legal holiday, then the period will include the next working day.
- (b) *Amendments to solicitations* If this solicitation is amended, all terms and conditions that are not amended remain unchanged. Offerors shall acknowledge receipt of any amendment to this solicitation by the date and time specified in the amendment(s). An Offeror's failure to acknowledge amendments affecting price, quantity, quality or delivery may result in the Offeror's proposal being determined unacceptable where award is made without discussions.

- (c) *Submission, modification, revision, and withdrawal of offers*
- (1) Unless other methods (e.g., electronic commerce or facsimile) are permitted in the solicitation, offers and modifications to offers shall be submitted in paper media in sealed envelopes or packages (i) addressed to the office specified in the solicitation, and (ii) showing the time and date specified for receipt, the solicitation number, and the name and address of the Offeror. Offerors using commercial carriers shall ensure that the offer is marked on the outermost wrapper with the information in paragraphs (c)(1)(i) and (c)(1)(ii) of this provision.
- (2) The first page of the offer shall show:
- (i) the solicitation number;
 - (ii) the name, address, and telephone and facsimile numbers of the Offeror (and electronic address if available);
 - (iii) a statement specifying the extent of agreement with all terms, conditions, and provisions included in the solicitation and agreement to furnish any or all items upon which prices are offered at the price set opposite each item;
 - (iv) names, titles, and telephone and facsimile numbers (and electronic addresses if available) of persons authorized to negotiate on the Offeror's behalf with the judiciary in connection with this solicitation; and
 - (v) name, title, and signature of person authorized to sign the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to the issuing office.
- (3) *Submission, modification, revision, and withdrawal of offers*
- (i) Offerors are responsible for submitting offers, and any modifications or revisions, so as to reach the judiciary office designated in the solicitation by the time specified in the solicitation. If no time is specified in the solicitation, the time for receipt is 4:30 p.m., local time, for the designated judiciary office on the date that offer or revision is due.
 - (ii) (A) Any offer, modification, or revision received at the judiciary office designated in the solicitation after the exact time specified for receipt of offers is "late" and will not be considered unless it is received before award is made, the contracting officer determines it's in the judiciary's best interest, the contracting officer determines that accepting the late offer would not unduly delay the procurement, and:
 - (1) if it was transmitted through an electronic commerce method authorized by the solicitation, it was received at the initial point of entry to the judiciary infrastructure not later than 5:00 p.m. one working day prior to the date specified for receipt of offers; or
 - (2) there is acceptable evidence to establish that it was received at the judiciary installation designated for receipt of offers and was under the judiciary's control prior to the time set for receipt of offers; or
 - (3) it is the only offer received.
 - (ii) (B) However, a late modification of an otherwise successful offer that makes its terms more favorable to the judiciary, will be considered

at any time it is received and may be accepted.

- (iii) Acceptable evidence to establish the time of receipt at the judiciary installation includes the time/date stamp of that installation on the offer wrapper, other documentary evidence of receipt maintained by the installation, or oral testimony or statements of judiciary personnel.
 - (iv) If an emergency or unanticipated event interrupts normal judiciary processes so that offers cannot be received at the office designated for receipt of offers by the exact time specified in the solicitation, and urgent judiciary requirements preclude amendment of the solicitation, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal judiciary processes resume.
 - (v) Offers may be withdrawn by written notice received at any time before award. Oral offers in response to oral solicitations may be withdrawn orally. If the solicitation authorizes facsimile offers, offers may be withdrawn via facsimile received at any time before award, subject to the conditions specified in Provision 3-115, "Facsimile Offers." Offers may be withdrawn in person by an Offeror or an authorized representative, if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award.
- (4) Offerors shall submit offers in response to this solicitation in English and in U.S. dollars.
 - (5) Offerors may submit modifications to their offers at any time before the solicitation closing date and time, and may submit modifications in response to an amendment, or to correct a mistake at any time before award.
 - (6) Offerors may submit revised offers only if requested or allowed by the contracting officer.
 - (7) Offers may be withdrawn at any time before award. Withdrawals are effective upon receipt of notice by the contracting officer.
- (d) *Offer expiration date* Offers in response to this solicitation will be valid for the number of days specified on the solicitation cover sheet (unless a different period is proposed by the Offeror).
 - (e) *Restriction on disclosure and use of data* Offerors that include in their offers data that they do not want disclosed to the public for any purpose, or used by the judiciary except for evaluation purposes, shall:
 - (1) mark the title page with the following legend:

This offer includes data that shall not be disclosed outside the judiciary and shall not be duplicated, used, or disclosed-in whole or in part-for any purpose other than to evaluate this offer. If, however, a contract is awarded to this Offeror as a result of-or in connection with-the submission of this data, the judiciary shall have the right to duplicate, use, or disclose the data to the extent provided in the resulting contract. This restriction does not limit the judiciary's right to use

information contained in this data if it is obtained from another source without restriction. The data subject to this restriction are contained in sheets [*insert numbers or other identification of sheets*]; and

- (2) mark each sheet of data it wishes to restrict with the following legend:

Use or disclosure of data contained on this sheet is subject to the restriction on the title page of this offer.

(f) *Contract award*

- (1) The judiciary intends to award a contract or contracts resulting from this solicitation to the responsible Offeror(s) whose offer(s) represents the best value after evaluation in accordance with the factors and subfactors in the solicitation.
- (2) The judiciary may reject any or all offers if such action is in the judiciary's interest.
- (3) The judiciary may waive informalities and minor irregularities in offers received.
- (4) The judiciary intends to evaluate offers and award a contract without discussions with Offerors (except clarifications). Therefore, the offeror's initial offer shall contain the Offeror's best terms from a price or price and technical standpoint. The judiciary reserves the right to conduct discussions if the contracting officer later determines them to be necessary. If the contracting officer determines that the number of offers that would otherwise be in the competitive range exceeds the number at which an efficient competition can be conducted, the contracting officer may limit the number of offers in the competitive range to the greatest number that will permit an efficient competition among the most highly rated offers.
- (5) The judiciary reserves the right to make an award on any item for a quantity less than the quantity offered, at the unit price or prices offered, unless the Offeror specifies otherwise in the offer.
- (6) The judiciary reserves the right to make multiple awards if, after considering the additional administrative prices, it is in the judiciary's best interest to do so.
- (7) Exchanges with Offerors after receipt of an offer do not constitute a rejection or counteroffer by the judiciary.
- (8) The judiciary may determine that an offer is unacceptable if the prices proposed are materially unbalanced between line items or sub-line items. Unbalanced pricing exists when, despite an acceptable total evaluated price, the price of one or more contract line items is significantly overstated or understated as indicated by the application of price or price analysis techniques. An offer may be rejected if the contracting officer determines that the lack of balance poses an unacceptable risk to the judiciary.
- (9) If a price realism analysis is performed, price realism may be considered by the source selection authority in evaluating performance or schedule risk.

- (10) A written award or acceptance of offer mailed or otherwise furnished to the successful Offeror within the time specified in the offer shall result in a binding contract without further action by either party.
- (11) The judiciary may disclose the following information in post-award debriefings to other Offerors:
 - (i) the Overall evaluated price or price and technical rating of the successful Offeror;
 - (ii) the overall ranking of all Offerors, when any ranking was developed by the judiciary during source selection;
 - (iii) a summary of the rationale for award; and
 - (iv) for procurements of commercial items, the make and model of the item to be delivered by the successful Offeror.

SECTION M - EVALUATION FACTORS FOR AWARD**M.1 Basis for Award**

Yearly prices of service items are totaled to arrive at Total Evaluated Price for each offeror.

If the prospective contractor is found non-responsible, that offeror will be rejected and will receive no further consideration for award. 1) COMPUTER EMPLOYEES: This wage determination does not apply to any individual employed in a bona fide executive, administrative, or professional capacity, as

defined in 29 C.F.R. Part 541. (See 41 C.F.R. 6701(3)). Because most Computer Systems Analysts and Computer Programmers who are paid at least \$27.63 per hour (or at least \$684 per week if paid on a salary or fee basis) likely qualify as exempt computer professionals under 29 U.S.C. 213(a)(1) and 29 U.S.C. 213(a)(17), this wage determination may not include wage rates for all occupations within those job families. In such instances, a conformance will be necessary if there are nonexempt employees in these job families working on the contract.

Job titles vary widely and change quickly in the computer industry, and are not determinative of whether an employee is an exempt computer professional. To be exempt, computer employees who satisfy the compensation requirements must also have a primary duty that consists of:

- (1) The application of systems analysis techniques and procedures, including consulting with users, to determine hardware, software or system functional specifications;

- (2) The design, development, documentation, analysis, creation, testing or modification of computer systems or programs, including prototypes, based on and related to user or system design specifications;

- (3) The design, documentation, testing, creation or modification of computer programs related to machine operating systems; or

- (4) A combination of the aforementioned duties, the performance of which requires the same level of skills. (29 C.F.R. 541.400).

Any computer employee who meets the applicable compensation requirements and the above duties test qualifies as an exempt computer professional under both section 13(a)(1) and section 13(a)(17) of the Fair Labor Standards Act. (Field Assistance Bulletin No. 2006-3 (Dec. 14, 2006)). Accordingly, this wage determination will not apply to any exempt computer employee regardless of which of these two exemptions is utilized.

2) AIR TRAFFIC CONTROLLERS AND WEATHER OBSERVERS - NIGHT PAY & SUNDAY PAY: If you work at night as part of a regular tour of duty, you will earn a night differential and receive an additional 10% of basic pay for any hours worked between 6pm and 6am.

If you are a full-time employed (40 hours a week) and Sunday is part of your regularly scheduled workweek, you are paid at your rate of basic pay plus a Sunday premium of 25% of your basic rate for each hour of Sunday work which is not overtime

(i.e. occasional work on Sunday outside the normal tour of duty is considered overtime work).

**** HAZARDOUS PAY DIFFERENTIAL ****

An 8 percent differential is applicable to employees employed in a position that represents a high degree of hazard when working with or in close proximity to ordnance, explosives, and incendiary materials. This includes work such as screening, blending, dying, mixing, and pressing of sensitive ordnance, explosives, and pyrotechnic compositions such as lead azide, black powder and photoflash powder.

All dry-house activities involving propellants or explosives. Demilitarization, modification, renovation, demolition, and maintenance operations on sensitive ordnance, explosives and incendiary materials. All operations involving re-grading and cleaning of artillery ranges.

A 4 percent differential is applicable to employees employed in a position that represents a low degree of hazard when working with, or in close proximity to ordnance, (or employees possibly adjacent to) explosives and incendiary materials which involves potential injury such as laceration of hands, face, or arms of the employee engaged in the operation, irritation of the skin, minor burns and the like; minimal damage to immediate or adjacent work area or equipment being used. All operations involving, unloading, storage, and hauling of ordnance, explosive, and incendiary ordnance material other than small arms ammunition. These differentials are only applicable to work that has been specifically designated by the agency for ordnance, explosives, and incendiary material differential pay.

**** UNIFORM ALLOWANCE ****

If employees are required to wear uniforms in the performance of this contract (either by the terms of the Government contract, by the employer, by the state or local law, etc.), the cost of furnishing such uniforms and maintaining (by laundering or dry cleaning) such uniforms is an expense that may not be borne by an employee where such cost reduces the hourly rate below that required by the wage determination. The Department of Labor will accept payment in accordance with the following standards as compliance:

The contractor or subcontractor is required to furnish all employees with an adequate number of uniforms without cost or to reimburse employees for the actual cost of the uniforms. In addition, where uniform cleaning and maintenance is made the responsibility of the employee, all contractors and subcontractors subject to this wage determination shall (in the absence of a bona fide collective bargaining

agreement providing for a different amount, or the furnishing of contrary affirmative proof as to the actual cost), reimburse all employees for such cleaning

and maintenance at a rate of \$3.35 per week (or \$.67 cents per day). However, in those instances where the uniforms furnished are made of "wash and wear" materials, may be routinely washed and dried with other personal garments, and do not require any special treatment such as dry cleaning, daily washing, or commercial

laundering in order to meet the cleanliness or appearance standards set by the terms

of the Government contract, by the contractor, by law, or by the nature of the work,

there is no requirement that employees be reimbursed for uniform maintenance costs.

**** SERVICE CONTRACT ACT DIRECTORY OF OCCUPATIONS ****

The duties of employees under job titles listed are those described in the "Service Contract Act Directory of Occupations", Fifth Edition (Revision 1), dated September 2015, unless otherwise indicated.

**** REQUEST FOR AUTHORIZATION OF ADDITIONAL CLASSIFICATION AND WAGE RATE, Standard Form 1444 (SF-1444) ****

Conformance Process:

The contracting officer shall require that any class of service employee which is not listed herein and which is to be employed under the contract (i.e., the work to

be performed is not performed by any classification listed in the wage determination), be classified by the contractor so as to provide a reasonable relationship (i.e., appropriate level of skill comparison) between such unlisted classifications and the classifications listed in the wage determination (See 29 CFR

4.6(b)(2)(i)). Such conforming procedures shall be initiated by the contractor prior to the performance of contract work by such unlisted class(es) of employees (See 29 CFR 4.6(b)(2)(ii)). The Wage and Hour Division shall make a final determination of conformed classification, wage rate, and/or fringe benefits which shall be paid to all employees performing in the classification from the first day of work on which contract work is performed by them in the classification. Failure

to pay such unlisted employees the compensation agreed upon by the interested parties and/or fully determined by the Wage and Hour Division retroactive to the date such class of employees commenced contract work shall be a violation of the Act

and this contract. (See 29 CFR 4.6(b)(2)(v)). When multiple wage determinations are

included in a contract, a separate SF-1444 should be prepared for each wage determination to which a class(es) is to be conformed.

The process for preparing a conformance request is as follows:

1) When preparing the bid, the contractor identifies the need for a conformed occupation(s) and computes a proposed rate(s).

2) After contract award, the contractor prepares a written report listing in order the proposed classification title(s), a Federal grade equivalency (FGE) for each proposed classification(s), job description(s), and rationale for proposed wage rate(s), including information regarding the agreement or disagreement of the authorized representative of the employees involved, or where there is no authorized representative, the employees themselves. This report should be submitted to the contracting officer no later than 30 days after such unlisted class(es) of employees performs any contract work.

3) The contracting officer reviews the proposed action and promptly submits a report of the action, together with the agency's recommendations and pertinent information including the position of the contractor and the employees, to the U.S. Department of Labor, Wage and Hour Division, for review (See 29 CFR 4.6(b)(2)(ii)).

4) Within 30 days of receipt, the Wage and Hour Division approves, modifies, or disapproves the action via transmittal to the agency contracting officer, or notifies the contracting officer that additional time will be required to process the request.

5) The contracting officer transmits the Wage and Hour Division's decision to the contractor.

6) Each affected employee shall be furnished by the contractor with a written copy of such determination or it shall be posted as a part of the wage determination (See 29 CFR 4.6(b)(2)(iii)).

Information required by the Regulations must be submitted on SF-1444 or bond paper.

When preparing a conformance request, the "Service Contract Act Directory of Occupations" should be used to compare job definitions to ensure that duties requested are not performed by a classification already listed in the wage determination. Remember, it is not the job title, but the required tasks that determine whether a class is included in an established wage determination. Conformances may not be used to artificially split, combine, or subdivide classifications listed in the wage determination (See 29 CFR 4.152(c)(1)).
