TO ALL INTERESTED VENDORS:

For the remainder of fiscal year 2022 (July 18, 2022 – September 30, 2022), the U.S. Probation and Pretrial Services Office for the District of North Dakota will be conducting a competitive solicitation for services in the following categories:

OUTPATIENT MENTAL HEALTH TREATMENT

If your agency is interested in competing to provide outpatient mental health treatment services for the remainder of fiscal year 2022 (July 18, 2022 – September 30, 2022), please respond to the attached Request for Proposals no later than July 11, 2022. The solicitation will also be advertised on our website at www.ndp.uscourts.gov. Under the Client Treatment/Solicitations tab, Outpatient Mental Health Treatment heading, you will find this Request for Proposal (0868-22-MH-02A Eastern North Dakota with Telemedicine Option for Individual Counseling). This is the only short-term treatment services contract that we are requesting proposals for at this time. Additional treatment contracts for upcoming fiscal year 2023 will be posted to the website at a later date this summer.

Historically, our office has mailed the Request for Proposals out to interested vendors. However, with the development of our website, we hope to establish an even more informative and efficient process. Due to the short response time, we are also emailing the Request for Proposals on this particular solicitation to various vendors on our mailing list. Please remember to print, complete and return all final proposals to our office no later than Monday, July 11, 2022.
