August 25, 2021 – amended 8/31/2021

OFFER TO SUBMIT PRICE QUOTES

The United States Probation and Pretrial Services Office is accepting **OPEN MARKET** quotations until **2:00 p.m., September 8, 2021** for the following SAN configuration:

Product Requirements:

- **System Being Replaced:** HP-Nimble CS215
- Support iSCSI protocol
- Dual 10GbE network interfaces for iSCSI traffic
 - 1GbE network allowed for management interfaces.
- Minimum **usable** capacity: 10 TB
- All-Flash (SSD) storage preferred.
- System Resiliency/Redundancy should provide no single point of failure.
 - Hardware components must be able to hot-swappable in the event of failure. Power, drives, fans, controllers must specifically be hot-swappable.
 - If any of these are not hot-swappable they must be specified in your bid.
- Non-disruptive system software updates. No downtime required for any upgrades.
- Minimum IOPS capability: 12,000
- All licenses with regards to feature set, management and tools must be included in price with no additional maintenance charge.
- System shall be rack mountable.
- Storage must support compression and deduplication.
- System must support replication. Replication site/system is future planned.
- Must include ability to add storage and compute new capacity on the fly (non-disruptively).
- Must be compatible/certified with VMWare VSphere and VCenter. Plug-ins for VCenter preferred.
- It is not anticipated that installation assistance will be required, however, please include such services as a separate line item that may be purchased separately. Please provide as an on-site and over the phone option.
- **3 year warranty** on all hardware and software must be included. We require keeping of failed/replaced drives for secure disposal purposes per local policy

Questions should be directed, via email, to:

Ron Davies, Systems Manager
Ron_Davies@ndp.uscourts.gov / 701-297-7151

Price quotes to include shipping, delivery and installation (if applicable). **Please e-mail your quotes to ron_davies@ndp.uscourts.gov.** Prices must be good for 30 days. The lowest price, technically acceptable quote will be selected.
